Hands of Hope Conference Dues 2016

Dear Congregations,

Hands of Hope Conference adopted annual dues of \$1 per active member based on average worship attendance of member congregations as published in the most current parochial report. With combined dues of all Hands of Hope congregations, more mission projects can be supported. Current dues are used for a monthly donation to the Church of the Damascus Road. All mission ideas are considered at conference assemblies so watch for dates of upcoming assemblies and present your ideas. It is another resource for God's Work, Our Hands.
